

**Bruce A. Macdonald, B.A., LL.B**

Bruce's family law practice involves the preparation and negotiation of cohabitation and marriage contracts as well as the negotiation and litigation of all issues arising from marriage & relationship breakdown, including custody, access, support and the division of property.

Bruce defends and advises clients on criminal matters and acts for both corporations and individuals. Bruce's civil litigation practice includes litigating commercial, insolvency, real estate, estate and trust matters.

As a member of the Wills and Estates Department, Bruce advises clients on the preparation of wills and powers of attorney, estate administration, executorship, and related dispute resolution.
